

**IMPACT  
HUB**

**We are open and want  
you to feel safe at the Impact Hub.**

**CURRENT SITUATION >>**

A modern meeting room with white tables, green chairs, and a projector screen. The room is well-lit and has a clean, professional appearance. The text is overlaid on a semi-transparent white background.

**We want you to feel safe at the Hub and be able to focus on your work and other projects.**

We are open for you during our regular opening hours.

We modified the space to allow everyone to comply with the government measures.

## Face masks and other space rules

Signs and directional boards have been set up throughout the space to help you navigate the rules.

We wear face masks when entering the premises and moving around the common areas such as the bar area, restrooms etc.

We also wear face masks in all areas where we are unable to keep a distance of at least 2 metres.

Hand sanitizer is available at the entrance and throughout the space. We regularly disinfect all surfaces.

We use antibacterial soaps and disposable paper towels.

We only offer durable and individually packaged refreshments at the bar.

A thermometer is available at the info desk, and if you forget your face mask, we will give you one.

## **Work areas and meeting & conference room rentals**

Desks are spaced at a safe distance of at least 2 meters apart in all work areas.

If you do not feel 100% healthy, please be mindful of others and stay home for a few days.

**Pokud se chcete na cokoliv  
zeptat, ozvěte se nám.**
